### If the member answers:

This is \_\_\_\_\_ from \_\_\_\_\_ Lodge. I'm calling to check in. It's been awhile since we've seen you at lodge.

How are you? (How's your health?)

How's the family?

### [If health or financial troubles]

I'm sorry to hear that. Have you thought about calling our California Masonic Assistance line? They can connect you to support, including health and financial assistance. All you have to do is call.

Do you have a pen handy? The phone number is 888/466-3642. If you'd like, I can even call for you, and give them your number. Would you like me to do that?

I'll give you a call again next week, in case you have any questions. In the meantime, let me give you my number. [Provide number.] If you need anything or just want to talk, just pick up the phone.

Thanks for taking a few minutes to talk with me today.

### [If no reported health or financial troubles]

Is there anything the lodge can do for you - give you a ride sometime, or help with a project around your house?

If you think of anything, here's my phone number. [Provide number.]

While we're at it, let me give you another number. Ready? It's 888/466-3642. That's our California Masonic Assistance line. If you or your family ever need support, from health problems to concerns about money to help finding a different living situation, you can call them. They can also connect you to the Masonic Homes, in case you're thinking about applying. Will you do me a favor, and stick that number on your fridge?

Thanks for taking a few minutes to talk with me today. I hope we can talk again soon. If you ever need anything or just want to say hello, you can always give me a call.
