Masonic Home Union City: Volunteer with Us

The Masonic Home at Union City is a vibrant, 267-acre senior community nestled in the scenic hills of the East Bay. For over a century, we have provided compassionate care and a supportive environment for our residents, offering a wide range of services including independent living, assisted living, skilled nursing, and memory care.

Our volunteers are an important part of our senior communities in Union City, contributing their time and talents to enrich the lives of our residents and staff. If you're interested in volunteering, we offer a variety of opportunities that can be tailored to your interests, talents, and availability.

Transforming Lives

Finding Your Fit

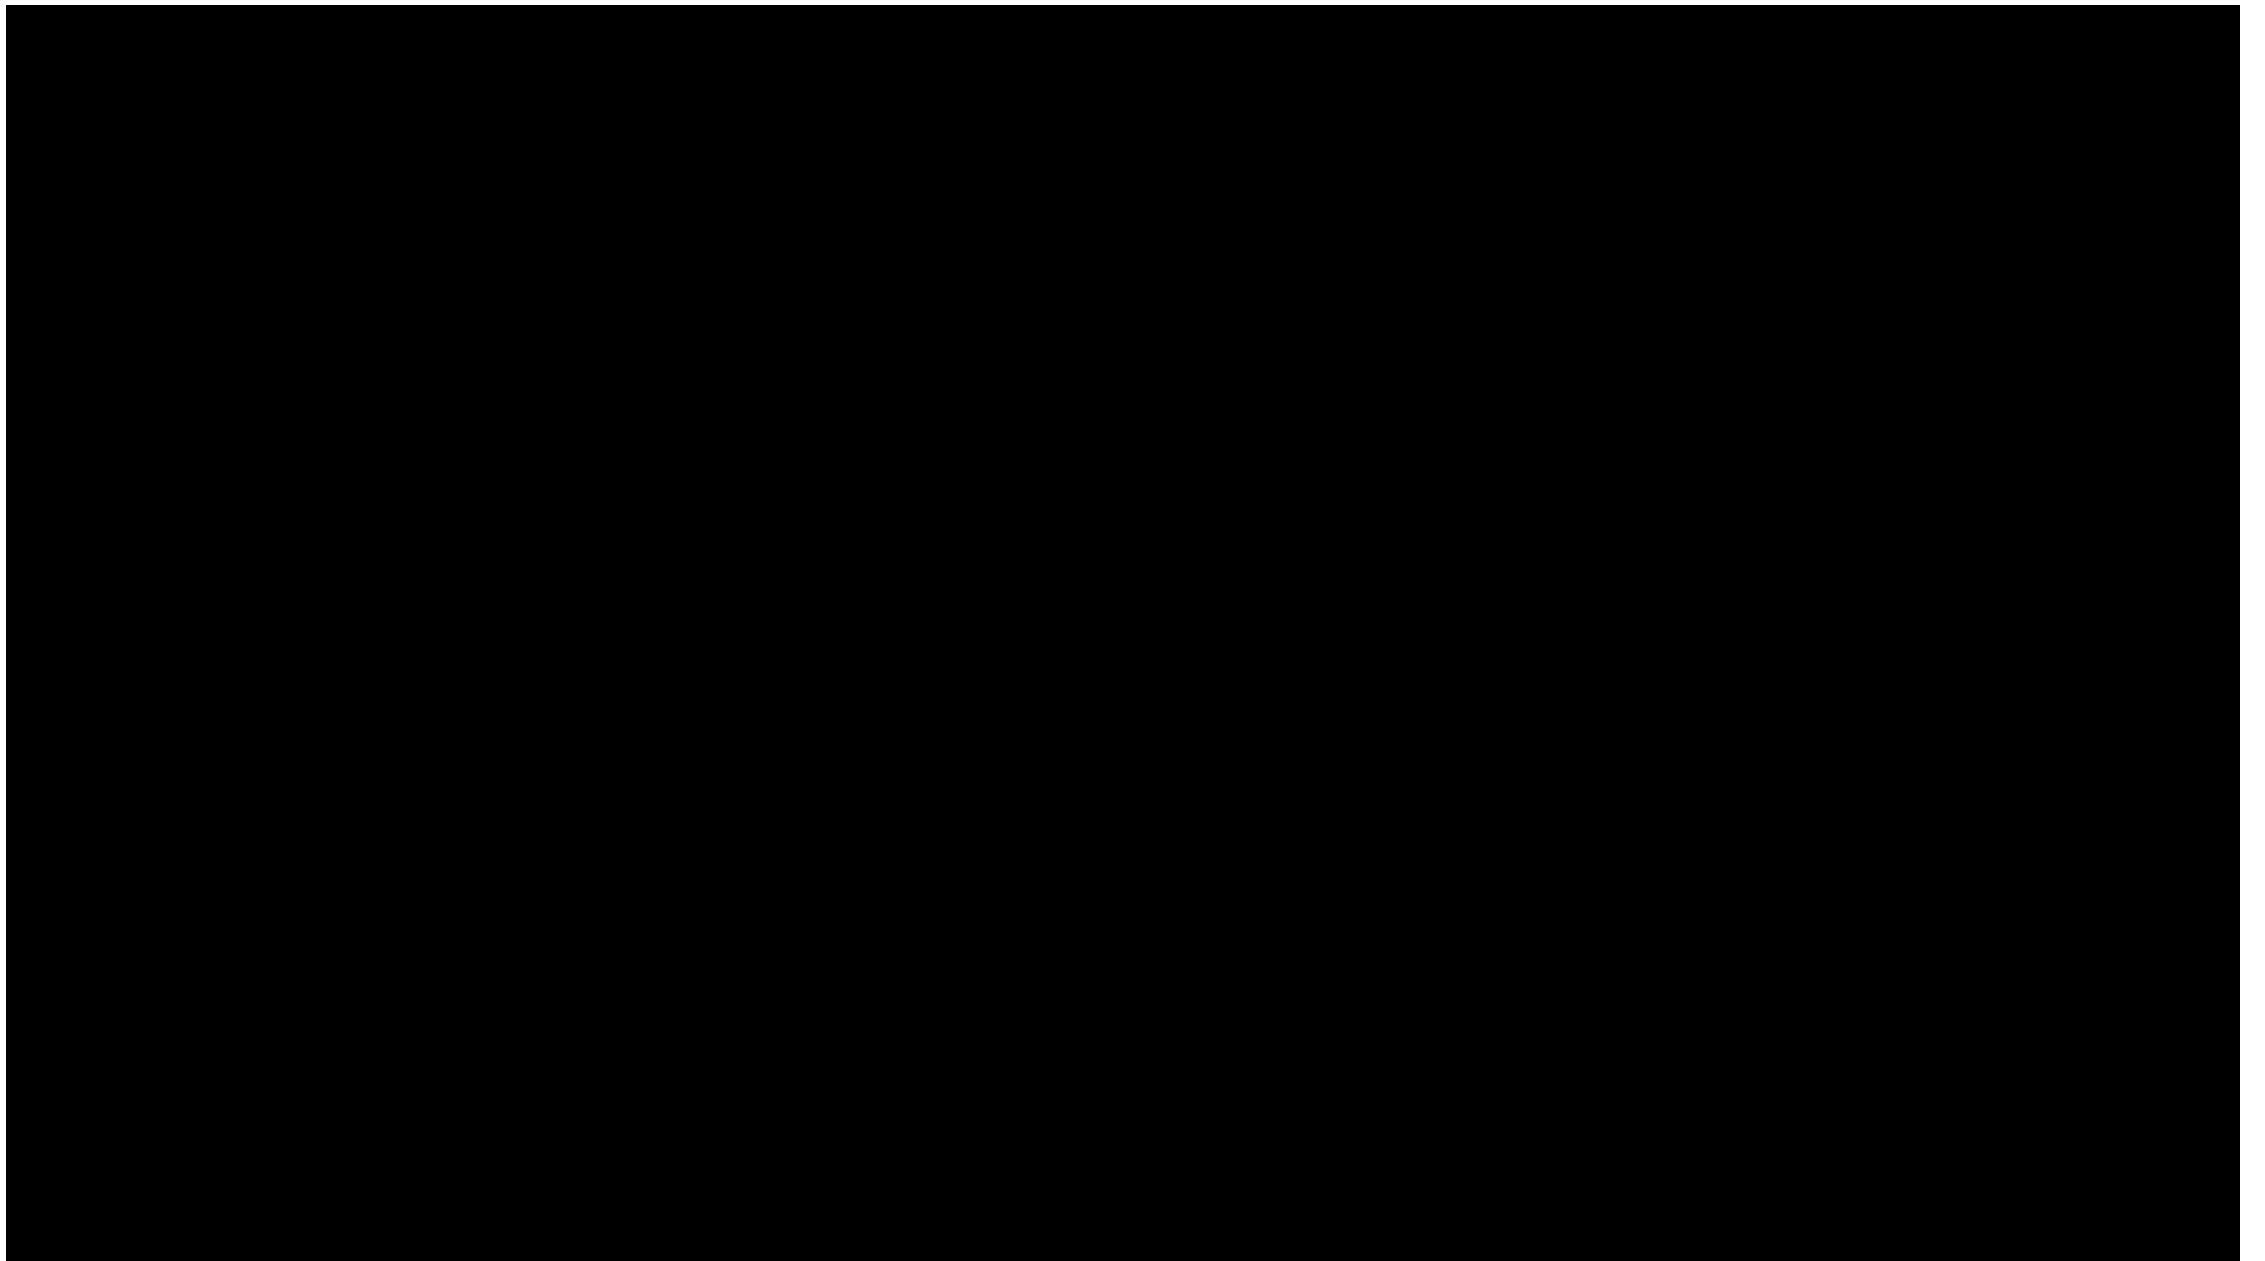

1. What causes matter to you: animals, children, justice, older adults, youth sports, the environment?
 2. Do you prefer hands-on, behind the scenes, board leadership, committee, expert or tech work?
 3. How much time can you donate: hour, weekend, ongoing?
 4. Do you like solo acts or group activities?
